

## **Ballot Title Setting Board**

### **Proposed Initiative 2009-2010 #97<sup>1</sup>**

The title as designated and fixed by the Board is as follows:

An amendment to the Colorado Revised Statutes concerning a carbon dioxide emission limit for certain providers of retail electric service, and, in connection therewith, establishing by January 1, 2025, a limit of no more than one thousand one hundred pounds of carbon dioxide per megawatt-hour of generation on the average emissions from electric generation facilities for each provider of retail electric service that is a municipally owned utility or a cooperative electric association previously exempt from regulation, and exempting certain electric generation facilities from the limit.

The ballot title and submission clause as designated and fixed by the Board is as follows:

Shall there be an amendment to the Colorado Revised Statutes concerning a carbon dioxide emission limit for certain providers of retail electric service, and, in connection therewith, establishing by January 1, 2025, a limit of no more than one thousand one hundred pounds of carbon dioxide per megawatt-hour of generation on the average emissions from electric generation facilities for each provider of retail electric service that is a municipally owned utility or a cooperative electric association previously exempt from regulation, and exempting certain electric generation facilities from the limit?
